---

## Web Developer

---

A highly creative and well-rounded artist and programmer with a passion for all things technical. Any job or career that requires ingenuity, compassion, and consistency, is a perfect fit for a hard worker such as myself. Looking to expand my computer and design interests with goals of doing full stack development.

## Technical Proficiencies

---

<i>Platforms</i>	Windows 8/10/11; MacOS 10.12+
<i>Software</i>	Microsoft Office (Word, Excel, PowerPoint, Outlook); Google Docs (Docs, Sheets, Slides); Adobe Suite (Photoshop, Illustrator, Audition); WordPress
<i>Languages</i>	HTML(5), CSS(3), JavaScript, PHP

## Previous Experience

---

**FreshMove Media**, Richmond, Virginia

**Web Developer**, 11/2021 to Current

Curated customer websites with sleek and beautiful designs. Worked with multiple local companies to create a stronger online presence, and in-depth media campaigns.

**VCU Performing Arts Center**, Richmond, Virginia

**IT Assistant**, 06/2018 to 01/2019

Assisted IT admin with production tech and professors with technical inquiries. Assisted soundboard operator with equipment, and logged any issues. Made minor repairs and reported parts for replacement.

## Education

---

**Bachelor of Arts; Theatre**, 2018

**Virginia Commonwealth University - Richmond, Virginia**

Coursework in design, audio/video editing, and production.
