

AARON FORD-WRIGHT

Richmond, Virginia 23220 | aaronfordwright.com

(571)-432-9363 | aaron.fordwright@gmail.com

Web Developer

A highly creative and well-rounded artist and designer with a passion for all things technical. Any job or career that requires ingenuity, compassion, and consistency, is a perfect fit for a hard worker such as myself. Looking to expand my computer and design interests with goals of doing website development, UX, and UI.

Technical Proficiencies

<i>Platforms</i>	Windows 7/8/10; MacOS 10.12+
<i>Software</i>	Microsoft Office (Word, Excel, PowerPoint, Outlook); Google Docs (Docs, Sheets, Slides); Adobe Suite (Photoshop, Illustrator, Audition)
<i>Languages</i>	HTML(5), CSS(3), JavaScript

Previous Experience

VCU Performing Arts Center, Richmond, Virginia

IT Assistant, 06/2018 to 01/2019

Assisted IT admin with production tech and professors with technical inquiries. Assisted soundboard operator with equipment, and logged any issues. Made minor repairs and reported parts for replacement.

Bar Solita, Richmond, Virginia

Server, 02/2019 to Current

Served customers and assisted large events, including outdoor booths for city festivals. Closed and opened the restaurant as a lead server most weekends.

Education

Bachelor of Arts; Theatre, 2018

Virginia Commonwealth University - Richmond, Virginia

Coursework in design, audio/video editing, and production.
